Dear Property Owner:

This letter serves to introduce Mike Smigielski, Zack Janz, Deirdre Vanko, Drew Falkner, Corey Peterson, Alex Drews, Bob Kaston, Tim Lane, Ryan Schelberek, Craig Olsen, Sean Morgan, employees of Associated Appraisal Consultants, Inc. The Town and Village of Bloomfield have retained this firm for the purpose of reappraisal of all taxable real estate within the Town and Village as required by state statute.

The purpose of the review is to make sure that all properties are valued for taxable purposes on a fair and equitable basis. In order to accomplish this, the appraisers must have ample opportunity to make a thorough examination of each property, which includes an exterior inspection as well as an interior walk through. Therefore, the Town and Village of Bloomfield thanks you for your fullest cooperation.

All courtesies and considerations shown the appraisers will be greatly appreciated.

Thank you for ensuring a successful revaluation program.

Sincerely,

A handwritten signature in black ink that reads "Dan Schoonover".
