Chapter 13 Board Action
Adopted December 20, 2011 as part of Village Incorporation
13.01 TITLE.

This chapter shall be the Recycling Ordinance for the Village of Bloomfield.

13.02 PURPOSE.

The purpose of this Chapter is to promote recycling, composting and resource recovery through the administration of an effective recycling program, as provided in Sec. 287.11, Wis. Stats., and Chapter NR 544 of the Wisconsin Administrative Code.

13.03 STATUTORY AUTHORITY.

This Chapter is adopted pursuant to Sec. 287.09(3)(b).

13.04 ABROGATION AND GREATER RESTRICTION.

It is not intended by this Chapter to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to the law. However, whenever this Chapter imposes greater restrictions, the provisions of this Chapter shall apply.

13.05 INTERPRETATION.

In their interpretation and application, the provisions of this Chapter shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this Chapter may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where provision of this Chapter is required by Wisconsin Statutes, or by a standard in Chapter NR 544 of the Wisconsin Administrative Code, and where the Chapter provision is unclear, the provision shall be interpreted in light of Wisconsin Statutes and the Chapter NR 544 standards in effects at the time of the interpretation.

13.06 SEVERABILITY.

Should any provision of this Chapter be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this Chapter shall not be affected.

13.07 APPLICABILITY.

The requirements of this Chapter shall apply to all persons, businesses and other legal entities within the Village limits of the Village of Bloomfield, State of Wisconsin.

15) Waste tires

13.10 SEPARATION REQUIREMENTS EXEMPTED.

The following requirements of Section 13.09 shall not apply to the following:

1) Occupants of single family and two to four-unit residences, multi-family dwellings and non-residential facilities and properties that send their post-consumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in Section 13.09 from solid waste in as pure a form as is technically feasible.

2) Solid waste which is burned as a supplemental fuel at a facility if less than 30% of the heat input to the facility is derived from the solid waste burned as supplemental fuel.

3) Persons that have received a variance pursuant to Sec. 287.11(2)(m) Wis. Stats., or Sec. NR 544.14, Wis. Admin. Code.

13.11 CARE OF SEPARATED RECYCLABLE MATERIAL.

To the greatest extent practicable, the recyclable material separated in accordance with Sec. 13.09 shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable material, including but not limited to household hazardous waste, medical waste and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain and other inclement weather conditions.

13.12 MANAGEMENT OF LEAD ACID BATTERIES, MAJOR APPLIANCES, WASTE OIL, TIRES AND FURNITURE.

Occupants of single family and two to four-unit residences, multi-family dwellings and non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil, waste tires and furniture as follows:

1) Lead Acid Batteries. Lead acid batteries will be accepted for recycling if placed on top or left alongside the recycling container when the recycling is left for pickup.
2) Major Appliances and Furniture. Major appliances and furniture will not be accepted by the Village of Bloomfield with regular pickup unless arrangements are made with the contracted waste carrier company prior to pick up.

3) Waste Oil and Tires. Only common waste oil and tires shall be collected along with all other recyclable materials. Only common engine oil will be collected, and must be in a leak-proof, lidded, non-breakable container no larger than one gallon. Two tires will be collected per week, up to eight tires per year, and may be left alongside the recycling container for pickup.

13.13 MANAGEMENT OF RECYCLABLE MATERIALS NOT PICKED UP BY THE VILLAGE OF BLOOMFIELD RECYCLING PROGRAM.

All persons, businesses and other legal entities within the Village limits of the Village of Bloomfield, State of Wisconsin, are encouraged to recycle the following materials through Walworth County’s recovery programs:

1) Pharmaceutical bottles not labeled with a recycling symbol.

2) Computer, cell phones, electronic and television equipment.

3) Dry cell, nickel cadmium and lithium type batteries.

4) Household cleaners, solvents, pesticides, paint and chemicals.

13.14 PREPARATION AND COLLECTION OF RECYCLABLE MATERIALS – SINGLE FAMILY AND TWO TO FOUR UNIT RESIDENCES.

Except as otherwise directed by the appropriate Village officials, occupants of single family and two to four-unit residences shall prepare recyclable materials for collections as follows:

1) Citizens of the Village of Bloomfield who reside in a one to four family residential unit have been or shall be provided authorized recycling containers per unit. All recyclable materials shall be prepared and collected as set forth below. Except as otherwise stated, all recyclable materials shall be commingled in said container. Such container shall be placed at the curb no later than 6:00 a.m. on the designated day for pickup in the area. Empty containers shall be removed before 8:00 p.m. on the day of collection. Recyclables that have been scattered by wind, animals, vandals or the like shall be the responsibility of the resident to retrieve properly.

2) Food containers shall be thoroughly cleaned or rinsed and placed in recycling containers for collection.

3) Corrugated paper or other container board shall be free from debris and broken down.
4) Glass bottles and jars shall be cleaned and rinsed, and the item shall be placed, unbroken, in the recycling container for collection. No window glass, light bulbs, TV tubes or similar items will be collected.

5) Newspapers, magazines, and office paper including glossy inserts, catalogs, mail circulars, phone books, paperback books, cereal boxes and envelopes shall be placed in the recycling container.

13.15 PREPARATION AND COLLECTION OF RECYCLABLE MATERIALS – MULTI-FAMILY DWELLING UNITS.

Owners or designated agents of multi-family dwelling units shall perform the following to recycle the material specified in this chapter:

1) Provide adequate, separate containers for the recyclable materials.

2) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter of the established recycling program, and thereafter of any changes in the recycling program.

3) Provide for the collection of materials separated from the solid waste and transportation of the materials to a recycling facility.

4) Notify tenants which materials are collected, how to prepare the materials in order to meet the processing requirements and collections methods and/or sites, location and hours of operation, and a contact person or company including a name, address and telephone number.

5) The requirements specified above do not apply to owners or designated agents of multi-family dwellings if the post-consumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers, for recycling, the materials specified in this chapter from solid waste in as pure a form as technically feasible.

13.16 RESPONSIBILITY OF OWNERS OR DESIGNATED AGENTS OF NON-RESIDENTIAL FACILITIES AND PROPERTIES.

Owners or designated agents of non-residential facilities and properties shall perform the following to recycle the materials specified in this chapter:

1) Provide adequate, separate containers for the recyclable materials.

2) Provide in writing, at least semi-annually, all users, tenants and occupants about the recycling program, and thereafter any changes that may occur in the program.

3) Provide for the collection of materials separated from the solid waste by the users, tenants and occupants, and the transportation of the material to the recycling facility.
4) Provide users, tenants and occupants which materials are collected, how to prepare the materials in order to meet the processing requirements and collections methods and/or sites, location and hours of operation, and a contact person or company including a name, address and telephone number.

5) The requirements specified above do not apply to the owners or designated agents of non-residential facilities and properties if the post-consumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers, for recycling, the materials specified in this chapter from solid waste in as pure a form as technically feasible.

13.17 ENFORCEMENT.

1) For the purposes of ascertaining compliance with the provisions of this Chapter, any authorized Village employee may inspect recyclable materials separated for recycling, post-consumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multi-family dwellings and non-residential facilities and properties, and any records related to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized Village employee who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper or interfere with such an inspection.

2) Any person who violates a provision of this Chapter may be issued a citation by the Village of Bloomfield. The issuance of a citation shall not preclude proceeding under any other section of the Village of Bloomfield Municipal Code, or law relating to the same or any other matter. Proceeding under any other ordinance relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.

3) Any person who violates any part of this Chapter shall be required to pay a forfeiture of $50.00 plus costs for the first violation, $200.00 plus costs for a second violation, and not more than $2,000.00 plus costs for a third or subsequent violation.
