Rae from Rae's towing is currently renting space from the owner of the property for the towing and storage of vehicles, and spoke in favor of the amendment. **N1279 White Pigeon Road  
Lake Geneva, WI 53147  
Farmland Separation**

**Tax Parcel No.: MB 1900001**

**Current Zoning: A-1 (Farmland Preservation District)**

**Per Walworth County suggestion applicants wish to split off approximately 6.5 acres from the original 160 acre farm, including all farm structures for the purpose of selling the 6.5 acres. However, before he spends the money to have another certified Survey map drawn up, he wants to see if the Plan Commission would approve what the new owner wants to do on the property either as a permitted use or a conditional use.**

Discussion took place. Larry Kundert brought with him the potential purchaser of the property, Joe Huff, with him to the meeting. Mr. Kundert explained how he came in front of the Commission in May for a Certified Survey Map approval, but County stopped it because there is shoreland on the property from a small pond, so County felt they had jurisdiction. County mapped out the 6.5 acres they would be willing to let be separated, keeping the A-1 zoning. Mr. Huff explained he wanted to build a larger accessory building in order to work on his farm equipment. The Commissioners felt Wis. Stats. 91.01 (1) (b) "An activity or business operation that is an integral part of, or incidental to, an agricultural use" would allow this activity to be considered a permitted use and no conditional use would be necessary, and suggested Mr. Kundert go ahead with the certified survey map and farmland separation suggested by County.

b. **Wedding/Events Barns.**

Discussion took place. Zoning Administrator Marcanti explained that this issue was voted on in November 2016 and was to be recommended to the Full Board, however, it was never put on a Full Board agenda. The Commissioners wanted more time to digest Walworth County's ordinance and possibly collect more information concerning such items as number of restrooms needed, parking spaces, number of guests, etc. Frank Oudin is going to set up

**Lot Line Adjustment**

**Current Zoning: R-1 (Single Family Residence District Unsewered)**

Discussion took place. Zoning Administrator, Marcanti, explained the lot line adjustment, as the applicant did not show up to the meeting.

A motion was made by Tom Sullivan, seconded by Mary McIntyre, to recommend approval of the lot line adjustment to the Town Board. A voice vote was unanimous; motion carried.

b. **Possible amendment to Chapter 27 Zoning Ordinance regulating the use of portable storage containers.**

Discussion took place. Zoning Administrator, Marcanti, explained that currently the Town does not have regulations regarding portable storage containers, and that are popping up in residential districts. It was decided that Zoning Administrator should set this amendment up for Public Hearing at the October 9, 2019 Town Planning and Zoning meeting.

5. Discussion and Possible Action Re:
  - a. **Larry and Pamela Kundert**  
N1279 White Pigeon Road  
Lake Geneva, WI 53147  
Farmland Separation  
Tax Parcel No.: MB 1900001  
Current Zoning: A-1 (Farmland Preservation) and C-4 (Wetland Resource Conservation)  
Applicant wishes to split 6.635 acres, including all farm structures, off of the 160 acre farm for the purpose of selling the 6.635 acres to his tenant that currently lives on the property and farms the land. This is per Walworth County's suggestion, and complies with the Town's Smart Growth Plan.  
Discussion took place. Zoning Administrator Marcanti reminded the Commission that the applicant came before them a couple months prior, and was trying to split off 20 acres to make a standard conforming lot, which they approved. However, County would not approve it because of it being Shoreland Zoning, which they have jurisdiction over for the Town. They preferred to only split the 6.635 acres in a farmland separation, which they would approve. A motion was made by Frank Oudin, seconded by Peter Baker to recommend approval of the Farmland Separation to the Town Board. A voice vote was unanimous; motion carried.
  - b. **Proposed amendment to Chapter 27 Zoning Ordinance regulating the use of portable storage containers. (This Ordinance was passed by the Village on Sept. 9, 2019.)**
    - I. Open Public Hearing: A motion was made by Frank Oudin, seconded by Mary McIntyre to open the Public Hearing at 6:12 p.m. A voice vote was unanimous; motion carried.
    - II. Presentation of Amendment to the Public: Zoning Administrator Marcanti explained the ordinance to regulate Portable Storage Containers to the Public.
    - III. Public's Opportunity to Testify: Frank Oudin asked if there was anyone in the audience that wished to speak in favor of the ordinance. Resident Thera Hunter spoke in favor of the ordinance. Frank Oudin asked if anyone in the audience wished to speak against the ordinance. No resident spoke against the ordinance.
    - IV. Close Public Hearing: A motion was made by Frank Oudin, seconded by Mary McIntyre to close the Public Hearing at 6:20 p.m. A voice vote was unanimous; motion carried.

- V. **Discussion, Possible Action, and Recommendation to the Board:** A motion was made by Tom Sullivan, seconded by Mary McIntyre to recommend the approval of the ordinance to the Town Board. A voice vote was unanimous; motion carried.
- c. **Proposed amendment to Chapter 27 Zoning Ordinance allowing for Family Farm Business – Wedding/Events Barns as a Conditional Use in the A-1 (Farmland Preservation) and A-2 (Agricultural Land District). (This Ordinance is scheduled for a Village Public Hearing on Oct. 15, 2019)**

- II. **Presentation of Amendment to the Public:** Zoning Administrator Marcanti explained the ordinance to the Public.
- III. **Public's Opportunity to Testify:** Frank Oudin asked if there was anyone in the audience that wished to speak in favor of the ordinance. There was no one to speak in favor of the ordinance. Frank Oudin asked if there was anyone in the audience that wished to speak against the ordinance. Several residents, with Lori Adams being the most vocal, spoke against the ordinance, continually mentioning a property on Bloomfield Road that was interested in partaking in wedding venues on their property. Zoning Administrator Marcanti reminded the audience several times that this item on the agenda had nothing to do with the property on Bloomfield Road, that it was a use to consider for the entire Town, not one individual property. Zoning Administrator Marcanti reminded the Commission that this ordinance was already recommended for approval to the Town Board on November 15, 2016, but in error was never put in front of the Town Board for approval.
- IV. **Close Public Hearing:** A motion was made by Tom Sullivan, seconded by Peter Baker to close the Public Hearing at 7:09 p.m. A voice vote was unanimous; motion carried.
- V. **Discussion, Possible Action, and Recommendation to the Board:** Further discussion took place concerning what types of conditions could be put onto the Conditional Use Permit, if individual properties could be denied a Conditional Use Permit, and that the Public would be notified both by a sign on the property, through a notice in the Regional News, and by mail if the owners on Bloomfield Road decided to apply for a Conditional Use Permit, and that there would be a Public Hearing held. A motion was made by Peter Baker, seconded by Tom Sullivan, to recommend the ordinance amendment for approval to the Town Board. A voice vote was unanimous; motion carried.
6. **Motion for Adjournment:** A motion was made by Frank Oudin, seconded by Peter Baker, to adjourn the meeting at 7:15 p.m.
