If your service is disconnected, it shall only be reconnected upon payment of ALL past due charges, NSF fees and reconnection fees. _____

You have the right to suggest a different payment agreement. If you believe the terms of this agreement are unreasonable, DO NOT SIGN IT. If you and the utility cannot agree on terms, you may ask the Public Service Commission to review the disputed issues. If you sign this agreement, you agree that you owe the amount due under the agreement. Signing this agreement does not affect your responsibility to pay for your current service. Allowing any bill for current service to become delinquent places you in default of this agreement. Per PSC Administrative Code 185.38
