

Certified Survey Map (CSM) Checklist
Town of Bloomfield
Planning and Zoning Commission Submittal

ATTENTION!! The following checklist is provided as an aid to the developer and builder for Plan Commission submittals to ensure a complete initial submittal for a certified survey map.

NOTE!! The applicant should reference section 18.06 of the Chapter 18: Land Division Ordinance for all required information on a certified survey map.

Submittal should include eight (8) copies of the following:

- _____ 1. **Certified Survey Map prepared by a Registered Wisconsin Professional Surveyor.**

- _____ 2. **Brief written narrative by the applicant or agent with the following:**
 - a. Description or reason for the parcel split.

 - b. Current zoning of the property. If the property contains more than one zoning district a map should be provided for reference.

Note: If the CSM requires the property to be rezoned, the rezoning must take place prior to or in conjunction with the CSM submittal.
